Click the "Generic product" on promotion located above "Create an account" button. 5. Observe what happens.	When clicking on the "Generic product" on promotion the page related to that specific product will be loaded.	When clicking on the "Generic product" on promotion the page nothing happens (not functional).	https://drive.google.com/file/d/19f7qgKxUdJE3b_KxgMnGon6BPhQ84t/view?usp=sharing	Notes: - I have tested only on "Opera" browser - Workaround: -	
43	The image above the fields requested to fill on Payment Page, is not loaded	Sport website	Payment Page	0.2	Minor	P4	PC	Opera	Win 10	Ramona			Open	1. You must be logged in. 2. You need to have items in the cart to be able to process the payment.	1. Click the "Payment" button from the "Cart" page. 2. Observe the details from the "Payment Page".	The "Payment" page contains: - a picture referring to what credit/debit cards are accepted ex (Visa, Mastercard, American Express) - fields referring to owner's card information.	In the picture referring to the type of card that can be used is not loaded	https://drive.google.com/file/d/1o4f9vceyGt8gUpY1d15tp74BDSIMak/view?usp=sharing	Notes: - I have tested only on "Opera" browser - The fields required to process the payment are available so the payment can be done. - Workaround: - you cant contact the public relation department to ask about what types of credit/debit cards are accepted.	
44	There is the possibility to process the payment when the cart is empty	Sport website	Payment Page	0.2	Minor	P4	PC	Opera	Win 10	Ramona			Open	1. You must be logged in. 2. Click the "Cart" button and open the page.	1. Click the "Payment" button from the "Cart" page when cart is empty. 2. Observe what happens.	When cart is empty you don't have the probability to process any payment.	When cart is empty you DO have the probability to process a "0" dollars payment.	https://drive.google.com/file/d/156d1nUYpIR1uJcaAgNfcUjvWfXUu/view?usp=sharing	Notes: - I have tested only on "Opera" browser - Workaround: -	
45	The currency is missing from the price displayed above "Total Payment" button located on "Payment page"	Sport website	Cart Page	0.2	Minor	P4	PC	Opera	Win 10	Ramona			Open	1. You must be logged in.	1. Click the "Cart" button so the "Cart" page is opened. 2. Observe the price above the "Payment" button	The total amount displayed in the "Cart" page contains the amount and the currency.	The total amount displayed in the "Cart" page doesn't show the currency.	https://drive.google.com/file/d/1R2Cbu1dAEvZdSSQ3D92wF8EXuA5ck4w/view?usp=sharing	Notes: - I have tested only on "Opera" browser - The currency is obvious, by the way. Workaround: -	
46	When you want to "Confirm Payment" with fields filled with invalid credentials it redirects you to Homepage	Sport website	Payment Page	0.2	Critical	P1	PC	Opera	Win 10	Ramona			Open	1. You must be logged in. 2. Click the "Cart" button from the header of the page.	1. Click the "Payment" button from the "Cart" page. 2. Fill the required fields with invalid credentials. 3. Click "Confirm payment" button. 4. Observe what happens.	When trying to process a payment inserting invalid credentials a message saying that the payment can't be processed is displayed.	When trying to process a payment inserting invalid credentials it redirects you Homepage.	https://drive.google.com/file/d/1C_vV7FwPn9S2eZxx98E3zCn499H6/view?usp=sharing	Notes: - I have tested only on "Opera" browser - Workaround: -	
47	The "Card number" field from Payment Page allows you to introduce any type of characters	Sport website	Payment Page	0.2	Minor	P4	PC	Opera	Win 10	Ramona			Open	1. You must be logged in. 2. Click to "Cart" button from the header of the page.	1. Click the "Payment" button from the "Cart" page. 2. Type in the "Card Number" field invalid credentials. 3. Press "Enter". 4. Observe what happens.	The "Card Number" field should be formatted only for digits.	You can insert any type of character in the "Card Number" field.	https://drive.google.com/file/d/1u6fU2AcvFa1Ny0p6wMMdpEjvY8Zy1v/view?usp=sharing	Notes: - I have tested only on "Opera" browser - It doesn't affect the payment process. Workaround: -	
48	When trying to send a message with empty fields or fields filled with valid/invalid data from "Contact" page it redirects you to Homepage	Sport website	Contact Page	0.2	Major	P2	PC	Opera	Win 10	Ramona			Open		1. Access the http://18.188.27.122/ website. 2. Click the "More" dropdown button from Homepage header. 3. Click the 1st button "Contact" when you are on Homepage. 4. Click "Send" button even if the fields are empty or they have data inserted. 5. Observe what happens.	When clicking "Send" button, your message should be delivered.	When clicking "Send" button, the button turns blue but seems like it doesn't work.	https://drive.google.com/file/d/1d7S2GY19Hh0uX7nVZLN_S8eUqR/view?usp=sharing	Notes: - I have tested only on "Opera" browser - Workaround: -	
49	In the "Colors" section from any generic product opened from "Running" you have the possibility to choose more than one color once and also the picture representing the item doesn't change according to the color.	Sport website	Generic product Page	0.2	Major	P2	PC	Opera	Win 10	Ramona			Open	1. You must be logged in.	1. Click the "Running" page from the Homepage header. 2. Click any "Generic product". 3. Select more than one color once (from the colors section). 4. Observe what happens.	When you want to purchase any item you can choose one color at a time and then add each color in the cart. Also the picture representing the item will change for the selected color.	When you want to purchase any item you have the possibility to select more than one color at a time. The picture representing the item doesn't change for the selected color.	https://drive.google.com/file/d/1yRUQKABubuWE68cEvUJT0bwsFD1d43w/view?usp=sharing	Notes: - I have tested only on "Opera" browser - It is getting confusing because the picture is not changing when you select different color. Workaround: -	#50

50	When adding in cart a generic product with more than one color selected ,in "Cart" will only be added 1 item	Sport website	Generic product Page	0.2	Major	P2	PC	Opera	Win 10	Ramona			Open	1. You must be logged in.	1. Click the "Running" page from the Homepage header. 2. Click any "Generic product". 3. Select more than one color once from the colors section) 4. Click "Add to cart" button. 5. Observe the "Cart" page.	When you want to purchase any item you can choose more than one color at a time and then add each color in the cart.	When you want to purchase any item you can choose more than one color at a time and then add each color in the cart will be added only 1 item.	https://drive.google.com/file/d/1avz4t_AuGd4UECC0T1h8B5_UoZenM/view?usp=sharing	Notes: - I have tested only on "Opera" browser Workaround: -	#49
51	Tying to acces one of the 3 items from "Product Categories" on any "Generic Product" page will refresh the existing page	Sport website	Generic product Page	0.2	Major	P2	PC	Opera	Win 10	Ramona			Open		1. Access the http://18.188.27.122/ website. 2. Click the "Running" button from Homepage header 3. Click on any "Generic product". 4. Observe the "Product Categories" section from the right side of the page. 5. Click one of item from "Product Categories"	When clicking on any product from "Product Categories" section, the page containing the product will be loaded.	When clicking on any product from "Product Categories" section, the existing page will be refreshed.	https://drive.google.com/file/d/1n002zhV35oDlqD53ZAMw_T0nRVU/view?usp=sharing	Notes: - I have tested only on "Opera" browser Workaround: -	
52	The prices of the 3 items from "Product Categories" on any "Generic Product" page it has one additional 0(zero)	Sport website	Generic product Page	0.2	Major	P3	PC	Opera	Win 10	Ramona			Open		1. Access the http://18.188.27.122/ website. 2. Click the "Running" button from Homepage header 3. Click on any "Generic product". 3. Observe the "Product Categories" section from the right side of the page.	The price is correctly displayed containing amount and currency and eventually the old price if it's a promotion.	The amount in the prices displayed (old price and new price) have additional one "0" zero ("400.00" instead of 40.00). I assume this is bug because the average price of the products is 40.00 \$.	https://drive.google.com/file/d/1C0NQuedq_A_Mlml_628HvIQ_X4d1G2z8/view?usp=sharing	Notes: - I have tested only on "Opera" browser - It's my assumption on this bug , so type is not valid. Workaround: -	
53	You don't have the possibility to evaluate a "Generic product" by leaving only a rating ,without writting a message	Sport website	Generic product Page	0.2	Minor	P4	PC	Opera	Win 10	Ramona			Open	1. You must be logged in.	1. Access the http://18.188.27.122/ website. 2. Click the "Running" button from Homepage header 3. Click on any "Generic product". 4. Observe the page. 5. Click on "Write a review" button 6. Choose a star rating from 1 to 5 7. Leave the field for comments empty and press "Send". 8. Observe what happens.	When leaving a review for a product ,you should have the possibility to leave a star rating without necessarily leaving a comment together with it.	The "Send" button doesn't work if you choose a star rating and you don't fill the "comments" field with text.	https://drive.google.com/file/d/16u3bSfJm8B8kz7Y8E-4mYD882F3oyrd/view?usp=sharing	Notes: - I have tested only on "Opera" browser Workaround: - You can still leave the review containing the star rating by pressing any text in the comments field.	
54	In "Add to cart section" located on "Cart" page you can introduce any number made up from 1 to 10 digits and it is also sums it up in "Total price" area	Sport website	Cart Page	0.2	Major	P2	PC	Opera	Win 10	Ramona			Open	1. You must be logged in.	1. Access the http://18.188.27.122/ website. 2. Click the "Running" button from Homepage header . 3. Click on any "Generic product". 4. Add it to the cart. 5. Click "Cart" button. 6. Observe the page. 7. Type inside the quantity box a number containing maximum 10 digits. 8. Observe the amount which sums up the quantity for the product.	The quantity box is formatted so you can buy a limited number of pieces from a specific item. This happens because the stock is limited.	You can introduce a number composed from maximum 10 digits , but you can see only one digit in the quantity box. But it can be observed that the amount to be payed is according to the quantity.	https://drive.google.com/file/d/1xm08e9zCzpf4xkR2aj2m8h3n2G6mK6/view?usp=sharing	Notes: - I have tested only on "Opera" browser - In the quantity box you can see only one digit inserted but the amount to be paid reflects the quantity. Workaround: -	#55
55	If the number of items introduced in the "Cart" section located on "Cart" page , is bigger than 9, it will only show up 1 digit	Sport website	Cart Page	0.2	Major	P2	PC	Opera	Win 10	Ramona			Open	1. You must be logged in.	1. Access the http://18.188.27.122/ website. 2. Click the "Running" button from Homepage header 3. Click on any "Generic product". 4. Add it to the cart. 5. Click "Cart" button. 6. Observe the page. 7. Type inside the quantity box a number containing more than 1 digit 8. Observe what happens.	When you press (manually or from dropdown menu)in the quantity box a number containing more than 1digit, the number should be visible in the quantity box.	When you press (manually or from dropdown menu)in the quantity box a number containing more than 1digit, it appears only 1 digit in the quantity box.	https://drive.google.com/file/d/1vungAe9Zzcf4xkR2aj2m8h3n2G6mK6/view?usp=sharing	Notes: - I have tested only on "Opera" browser - In the quantity box you can see only one digit inserted but the amount to be paid reflects the quantity. Workaround: -	#54
56	When trying to navigate on the "Sport" website it doesn't allow you to use "Enter" key from keyboard ,except when using "Search Bar"	Sport website	All Pages	0.2	Minor	P3	PC	Opera	Win 10	Ramona			Open		1. Access the http://18.188.27.122/ website. 2. Try to navigate on the website using keyboard. 3. Observe what happens.	You should be able to navigate on "Sport" website using the mouse , only the keyboard or both.	When you try to use only the keyboard to navigate ,you will observe that "Enter" key and left and right arrows "<" ">" keys are not functional.	https://drive.google.com/file/d/1N_AqPp9agdvYLYL3dwRkXR5RAqYv6/Bq/view?usp=sharing	Notes: - I have tested only on "Opera" browser Workaround: - You can navigate by using both keyboard and mouse.	#57
57	When trying to navigate on the "Sport" website it doesn't allow you to use "<" and ">" keys from keyboard	Sport website	All Pages	0.2	Minor	P3	PC	Opera	Win 10	Ramona			Open		1. Access the http://18.188.27.122/ website. 2. Try to navigate on the website using keyboard. 3. Observe what happens.	You should be able to navigate on "Sport" website using the mouse , only the keyboard or both.	When you try to use only the keyboard to navigate ,you will observe that "Enter" key and left and right arrows "<" ">" keys are not functional.	https://drive.google.com/file/d/1N_AqPp9agdvYLYL3dwRkXR5RAqYv6/Bq/view?usp=sharing	Notes: - I have tested only on "Opera" browser Workaround: - You can navigate by using both keyboard and mouse.	#56
58	When you click "<" back arrow from the right corner of any page it redirects you to "Homepage"	Sport website	All Pages	0.2	Minor	P3	PC	Opera	Win 10	Ramona			Open		1. Access the http://18.188.27.122/ website. 2. Access more than 1 page. 3. Click "<" back button from the upper left corner of the existing page. 4. Observe what happens.	When opening more than 1 page and then click "<" back button , you will be redirected to the previous opened page.	When opening more than 1 page and then click "<" back button , you will be redirected to the "Homepage"	https://drive.google.com/file/d/1haV4Vuyrb_Ek6jRyHE_ohd8L4fRw/Rv/view?usp=sharing	Notes: - I have tested only on "Opera" browser Workaround: - You can reopen the pages.	
59	[Enhancement] Consider adding an extra "Contact" button in the footer of Homepage ,unde "My Events" button	Sport website	Homepage	0.2	Enhancement	P3	PC	Opera	Win 10	Ramona			Open		1. Access the http://18.188.27.122/ website. 2. Scroll down to the bottom of the Homepage. 3. Observe the buttons from the footer. of the page.	The "Contact" button should be displayed under "My Events" button.	The "Contact" button is not available under "My Events" button.	https://drive.google.com/file/d/1haV4Vuyrb_Ek6jRyHE_ohd8L4fRw/Rv/view?usp=sharing	Notes: - The majority of big websites have the "Contact" button located in the footer of the page. Users are used to find the button there as well. Workaround: - "More" dropdown menu.	
60	[Enhancement] Consider having the possibility to log out when you press "test" button from Homepage header, by adding a dropdown "Log out" button when pressing "test" button	Sport website	Homepage	0.2	Enhancement	P3	PC	Opera	Win 10	Ramona			Open	1. You must be logged in.	1. Access the http://18.188.27.122/ website. 2. Observe the upper right corner of the Homepage. 3. Click your username. 4. Observe what happens.	When clicking "Username" located in the upper right corner of the page , you have the possibility to log out.	When clicking "Username" located in the upper right corner of the page nothing happens.	https://drive.google.com/file/d/1haV4Vuyrb_Ek6jRyHE_ohd8L4fRw/Rv/view?usp=sharing	Notes: - The majority of big websites have the "Log Out" button located next to the username. It is very intuitive for users to log out by clicking their account name/username. Workaround: - Click "More" dropdown menu - Click "Log Out"	
61	[Enhancement] Consider creating the possibility to create a guest section to be able to purchase easier without taking all the steps in creating an account	Sport website	Homepage	0.2	Enhancement	P3	PC	Opera	Win 10	Ramona			Open	1. You must be logged out	1. Access the http://18.188.27.122/ website. 2. Click "Running" button. 3. Observe the page. 4. Try to add any generic product in the cart without having an account created.	When you want to purchase something from the website you should be able to buy as a guest , without logging into your account.	You don't have the option to buy as a guest.	https://drive.google.com/file/d/1haV4Vuyrb_Ek6jRyHE_ohd8L4fRw/Rv/view?usp=sharing	Notes: - The majority of big websites offer the possibility to buy without creating an account and logging in. It is necessary because some users want to buy only once and they don't bother taking the time to create an account, so they leave the website. - It would increase the number of purchases. Workaround: - Create an account, log in and you have the possibility to purchase.
